## **Keep The Light On**

## The Whitlams

We stumble into each other's lives and we knock some things ove r

Try not to make a sound Each time you reach out, a new shout or shine-on We run in and fall out, fumble around for the key

I'll always keep the light on for you
You try so hard to be alive
What else can you do, but close your eyes
You can't see the beautiful way when you're burning so bright
Your halfpenny eyes smile like a fire-sale
Everyone's a suspect, the horses won't move up the rail

Your sadness, a thief, waits in the hallway With mail on the floor and 2 birds in the chimney
