

# You Don't Even Know My Name

The Whitlams

I've been watchin' you  
For so long now  
You know I feel just  
A little ashamed  
You know I follow you  
Wherever you go  
Hoping one day  
Things might change

Maybe someday you will notice me  
And this won't be just a game

You know I've seen every show  
You've ever done  
You don't even know my name  
You don't even know my name

Maybe Monday hopefully someday  
Yeah all my luck will change  
'Til then I'll just follow you  
Wherever you go  
You don't even know my name  
You don't even know my name
