

# Cache Cache

The Who

Did you ever sleep in a bear pit  
With apple cores and mice along  
Did you ever lay on ice and grit  
Or search for a place where the wind was gone

Did you ever tramp up endless hills  
Past cosy homes with secret beds  
Did you ever dream of a suicide pill  
And wake up cold to the smell of bread

Well I have slept there badly twice  
And shared my straw with scratchin mice  
Although you'll find some deep brown hair  
I'll tell you something for nothing  
There ain't no bears in there (cache cache)  
Not a single bear in there (cache cache)

Did you ever have to make a draw  
For a hard wooden bench or a bed of stone  
Did you ever jemmy a stable door  
Or scare the horse to escape the snow

Did you ever invade a neat little yard  
Wake up the children who hope for ghosts  
Did you ever cause their dogs to bark  
Their guests to curse their noisy hosts

Don't jump in expectin fun  
Don't swagger in there with your elephant gun  
Don't enter the cage with wavin chairs  
Cos I'll tell you something for nothing  
There ain't no bears in there (cache cache)  
Not a single bear in there (cache cache)

Did you ever pass the police at work  
And hope that they might take you in  
Did you ever wonder why music hurts  
When someone plays it aloof to sin  
Did you ever believe that a smile could cure  
A happy face keep you warm at night?  
Were you ever fooled by laughters lure  
Only to find that they laughed in spite?

Did you ever finally find a place  
A soft warm bed in a room of flowers  
And when you finally laid down your face  
You found you slept for a hundred hours  
A hundred hours.

There ain't no bears in there (cache cache)
