Doctor Jimmy

Laugh and say I'm green I've seen things you'll never see. Talk behind my back But I'm off the beaten track. I'll take on anyone Ain't scared of a bloody nose, Drink till I drop down With one eye on my clothes.

What is it? I'll take it. Who is she? I'll rape it. Got a bet there? I'll meet it. Getting High? You can't beat it.

Doctor Jimmy and mister Jim When I'm pilled you don't notice him, He only comes out when I drink my gin.

You say she's a virgin. I'm gonna be the first in. Her fellah's gonna kill me? Oh fucking will he. I'm seeing double But don't miss me if you can. There's gonna be trouble When she choses her man.

What is it? I'll take it. Who is she? I'll rape it. Got a bet there? I'll meet it. Getting High? You can't beat it.

Doctor Jimmy and mister Jim When I'm pilled you don't notice him, He only comes out when I drink my gin.

Is it me? For a moment The stars are falling. The heat is rising The past is calling.

I'm going back soon Home to get the baboon. Who cut up my eye, Messed up my Levis. I'm feeling restless Bring another score around Maybe something stronger Could really hold me down.

What is it? I'll take it. Who is she? I'll rape it.

Got a bet there? I'll meet it. Getting High? You can't beat it.

What is it? I'll take it.

Who is she? I'll rape it.

Doctor Jimmy and mister Jim When I'm pilled you don't notice him, He only comes out when I drink my gin.

Is it me? For a moment The stars are falling. The heat is rising The past is calling. Is it me? For a moment The stars are falling. The heat is rising The past is calling.
