

# Faith in Something Bigger

The Who

It may be warm but the snow is going to fall  
Enough to cover us all  
We've gotta be strong men and follow a path again

We've got to have faith in something bigger  
Faith in something bigger  
Faith in something big inside ourself

It might be cold but the heat of our love will melt  
The snow we never felt  
We're young and hardy again, we bow to weaker men

We've got to have faith in something bigger  
Faith in something bigger  
Faith in something big inside ourself

The more we learn, the less we believe to be true  
The more we prove, the more remains to be proved  
We've gotta be strong men and follow a path again

We've got to have faith in something bigger  
Faith in something bigger  
Faith in something big inside ourself, inside ourself

Faith in something bigger  
Faith in something bigger  
Faith in something bigger  
Faith in something bigger  
Faith in something bigger  
Faith in something bigger  
Faith in something bigger
