

Let's See Action

The Who

Let's see action
Let's see people
Let's see freedom
Let's see who cares

Take me with you when you leave me
And my shell behind us there
I have learned it known who burned me
Avatar has warmed his feet

Take me with you
When you leave me
Time and life can meet

Rumor has it minds are open
Then rumors fill them up with lies
Please the people, audiences
I try to scream, 'cause nothing dies

Let's see action
Let's see people
Let's see freedom
In the air

Let's see action
Let's see people
Let's be free
Let's see who cares

Let's see action
Let's see people
Let's see freedom
In the air

Let's see action
Let's see people
Let's be free
Let's see who cares

Give me a drink boy, wash my feet
I'm so tired of running from my own heat
Take this package and here's what you do
You gonna get this information through

I don't know where I'm going
I don't know what I need
But I'll get to where I'm gonna end up
And that's alright by me

I've been running from side to side
Now I know for sure that both sides lied
It's got so hard but we gotta keep trying
I can't stand to see my people crying

I don't know where I'm going
I don't know what I need
I'm gonna get to where I'm gonna end up

And that's alright by me

Let's see action
Let's see people
Let's see freedom
In the air

Let's see action
Let's see people
Let's be free
And see who cares

Let's see action
Let's see people
Let's see freedom
In the air

Let's see action
Let's see people
Let's be free
Let's see who cares

Nothing is everything
Everything is nothing is
Please the people, audiences
Break the fences, nothing is

Let's see action
Let's see people
Let's see freedom
In the air

Let's see action
Let's see people
Let's be free
Let's see who cares

Nothing is everything
Everything is nothing
Nothing is everything
Everything is nothing
