

## Little Billy

The Who

Little Billy was the fattest kid in his class  
Always the last in line  
All the other little kids would laugh at him  
Said, he'd die before his time

Ha, ha, ha, ha  
Ha, ha, ha, ha  
Little Billy didn't mind

Most of the kids smoked cigarettes  
Just to prove that they were cool  
The teacher didn't know about the children's games  
And Billy always followed the rules

Ha, ha, ha, ha  
Ha, ha, ha, ha  
Little Billy didn't mind

Billy was big on the outside  
But there's an even bigger man inside  
Ten million cigarettes burnin' every day  
And Billy's still doin' fine

Now Billy and his classmates are middle-aged  
With children of their own  
Their smoking games are reality now  
And cancer's seed is sown

Ha, ha, ha, ha  
Ha, ha, ha, ha  
Little Billy didn't mind

Most of them smoke maybe forty a day  
A habit Billy doesn't share  
One by one they're passing away  
Leaving orphans to Billy's care

Ha, ha, ha, ha  
Ha, ha, ha, ha  
Ha, ha, ha, ha  
Little Billy doesn't mind

Ha, ha, ha, ha  
Ha, ha, ha, ha  
Little Billy's doin' fine
