The Who

Me and my brother were talking to each other 'Bout what makes a man a man Was it brain or brawn, or the month you were born We just couldn't understand

Our old man didn't like our appearance He said that only women wear long hair

So me and my brother borrowed money from Mother We knew what we had to do We went downstairs, past the barber and gymnasium And got our arms tattooed

Welcome to my life, tattoo I'm a man now, thanks to you I expect I'll regret you But the skin graft man won't get you You'l be there when I die Tattoo

My dad beat me 'cause mine said "Mother" But my mother naturally liked it and beat my brother 'Cause his tattoo was of a lady in the nude And my mother thought that was extremely rude

Welcome to my life, tattoo We've a long time together, me and you I expect I'll regret you But the skin graft man won't get you You'll be there when I die Tattoo

Now I'm older, I'm tattooed all over My wife is tattooed too A rooty-toot-toot, rooty-tooty-toot-toot Rooty-toot-toot tattoo too To you
