

# The Punk and the Godfather

The Who

You declared you would be three inches taller  
You only became what we made you.  
Thought you were chasing a destiny calling  
You only earned what we gave you.  
You fell and cried as our people were starving,  
Now you know that we blame you.  
You tried to walk on the trail we were carving,  
Now you know that we framed you.

Your axe belongs to a dying nation,  
They don't know that we own you.  
You're watching movies trying to find the feelers,  
You only see what we show you.  
We're the slaves of the phony leaders  
Breathe the air we have blown you.

I can't pretend that I can teach,  
And yet I've lived your future out

And on the dance floor broken glass,  
The bloody faces slowly pass,  
The broken seats in empty rows,  
It all belongs to me you know.

You declared
