The Who

The foreman over there hates the gang  
The poor people on the porch get it so rough  
The truck driver drives like a devil  
The policemen, they're acting so tough

They need water, good water  
They need water  
And I'm sure there ain't one of us here  
Who'd say, "No", to somebody's daughter  
(No, no, no, no, no)

The foreman over there hates the gang  
The poor people on the porch get it so rough  
The truck driver drives like a devil  
The policemen, they're acting so tough

They need water  
Good, good water  
They need water  
And maybe somebody's daughter

Indian Lake is burnin'  
New York's skyline is hazy  
The River Thames is turnin' dry  
The whole world is blazin'

We need water  
Hey, good water  
Ooh, e need water  
And maybe somebody's daughter

A-gimme, gimme good water  
A-gimme gimme gimme good water  
A-gimme good water  
Please don't refuse me, mister  
I've seen your daughter at The Oasis  
And I'm beginning to blister

A Chevrolet just made steam  
Your crop is laying foul  
My grass skirt's lost its green  
I'm alive, but I don't know how

I need water  
Good, good water  
They need water

Gimme, gimme good water  
Gimme gimme gimme good water  
Gimme gimme gimme good water

C'mon, gimme gimme gimme  
Good water  
Hey, oh water  
C'mon, c'mon gimme water
