

Central Park New York

The Wiggles

Central Park, New York.
Through the park we'll walk.
Anthony: This is beautiful.
To the squirrels we'll talk.
Anthony: G'day, squirrels.
New York, the park, we'll walk.
New York, the park, we'll talk.
Anthony: Now tell us, Greg.
Greg: Lots of ways to see the sight.
We'll take a horse and carriage ride.
Oh, it will take a long, long time.
To get to the other side.
Anthony: This park is big!
Central Park, New York.
Anthony: We love it!
Through the park we'll walk.
Anthony: Walk, walk, walk.
To the squirrels we'll talk.
Anthony: G'day, squirrels.
New York, the park, we'll walk.
New York, the park, we'll talk.
Anthony: Tell us about it, Greg.
Greg: Lots of ways to move around
Roller-skate or run.
Anthony: Whee!
Greg: And you can take your friend with you
Because walking a dog is fun.
Central Park, New York.
Anthony: We love it!
Through the park we'll walk.
To the squirrels we'll talk.
Anthony: G'day, squirrels.
New York, the park, we'll walk.
New York, the park, we'll talk.
New York, the park, we'll walk.
New York, the park.
Anthony: G'day, squirrels.
