

Wave To Wags

The Wiggles

Wags: Ruff, ruff, ruff, ruff, ruff, ruff.

(keyboard music starts playing)

Greg: Well, he's big with lots of fur.

He's got a great big bark that you might have heard.

Hey everybody, wave to Wags, wave to Wags the Dog.

(Wags: Ruff, ruff.)

He wags his tail, he kicks his legs.

Yes, he loves that bacon and he loves those eggs.

Hey everybody, wave to Wags, wave to Wags the Dog.

Wags: Ruff, ruff.

Why don't you scratch a bit, Wags?

Wags: (scratching)

Bark a bit, Wags.

Wags: Ruff, ruff, ruff, ruff.

Dance around, Wags, like we know that you can do.

Wags: Ruff, ruff.

He loves to dig, he loves to run.

He sometimes sleeps in the midday sun.

Hey everybody, wave to Wags, wave to Wags the Dog.

Wags: Ruff, ruff.

Greg: Hey everybody, how about a big clap for Wags the dancing dog.

Wags: (barking)

Greg: Oh, that's great dancing there, Wags, cool.

Why don't you scratch a bit, Wags?

Wags: (scratching)

Bark a bit, Wags.

Wags: Ruff, ruff, ruff, ruff.

Dance around, Wags, like we know that you can do. Oh, yeah.

Well, he's big with lots of fur.

He's got a great big bark that you might have heard.

Hey everybody, wave to Wags, wave to Wags

Hey everybody, wave to Wags, wave to Wags

Hey everybody, wave to Wags, wave to Wags the Dog.

Wags: Ruff, ruff.
