

We're The Crocodile Band

The Wiggles

Greg: We're the crocodile band (Snap, snap)

Playing for all the crocodiles in the land (Doo, doo, doo, doo, doo)

We're the crocodile band (Ba-a-a-and)

Anthony: Those crocodiles love this music.

Greg: We wear really snappy clothes (Snap, snap)

We always look so sharp

When we play our drums, guitars and harps

Murray: The crocs are rocking.

Greg: We're the crocodile band (Snap, snap)

Playing for all the crocodiles in the land (Doo, doo, doo, doo, doo)

We're the crocodile band (Ba-a-a-and)

Anthony: They love it!

Greg: We're the crocodile band

Men: The crocodiles, snap, snap

The crocodiles, snap, snap

The crocodiles, snap, snap

Anthony: Come on, everyone. Dance along, sing along. Come on, crocs. (laughing) They're smiling crocs.

Murray: They're snapping.

Greg: Our songs make the crocs all smile

There'll be no crocodile tears

It's really music to their ears
