Caprice

The Wildhearts

Mix up, start, stop, start, wait a minute... shut down losing the plot, losing the plot, losing the plot 'til there's nothing to see but the ground head inside a rut - it's like my mind is shut, I hope I cope th is time drink and drugs will only amplify (00-00) (well) I still got my music, so let's give that a try sounds that can soothe you, and sounds that can move you and im prove you child Caprice (6x) Help me see this pain doesn't matter - I'm fine no-one get me, I don't get me, noone get me, I don't get me, I just need a little time Head inside a rut, the mental link is cut, I'm holding on for l ife no-one knows quite what to really say, guess they wouldn't make a difference anyway Friends they can use ya, well friends they can use you and abus e you child but never be denied, like the circles in the sky, heaven ain't rolling, rolling, rolling...
