The Wildhearts

Making your way in the world today  
Takes everything you've got  
Taking a break from all your worries  
Sure would help a lot  
Wouldn't you like to get away?

Sometimes you want to go  
Where everybody knows your name  
And they're always glad you came  
You want to be where you can see  
Your troubles are all the same  
You want to be where everybody knows your name

Making your way in the world today

Taking a break from all your worries  
Sure would help a lot  
Wouldn't you like to get away?

Sometimes you want to go  
Where everybody knows your name  
And they're always glad you came  
You want to go where people know  
People are all the same  
You want to go where everybody knows your name

Where everybody knows your name  
And they're always glad you came  
You want to be where you can see  
Your troubles are all the same  
You want to be where everybody knows
