

# Hate The World Day

The Wildhearts

Wake up bad and I can't sleep back  
If I can't sleep back then I'm waking in black  
And the whole world's covered in crap  
And the folk I see got a hold on smile,  
Got a hold on smile like they got it on tap

Oh, well if I can't do nothing but sit and cry  
I'll find something better to do  
Give me half a bottle and leave me right  
If you lean on me then I'll lean on you  
Well can I lean on you for pain?

Hey, hey, hey, hey, hey, I've got another day  
Hey, hey, hey, hey, hey, to find another way  
Today is hate the world day  
Hey, hey, hey, hey, hey, I can't get positive  
Hey, hey, hey, hey, hey, just get it over with  
Today is hate the world day, hate the world day

If the light's too bright in a worn out style  
There's a time when I don't want to open my eyes  
Until the negativity dies  
'cause I ain't no use to the world outside  
If the world outside isn't giving a shite

Oh, but if I can't do nothing but fear and pray  
For a generation I've sussed  
Then I'll hold my head and I'll hear them say  
We will stick by you if you stick by us  
Maybe I'll be a wussy

Hey, hey, hey, hey, hey, I'm in the dock again  
Hey, hey, hey, hey, hey, I count alone to ten  
Today is hate the world day  
Hey, hey, hey, hey, hey, I'd rather be on Mars  
Hey, hey, hey, hey, hey, stay in bed because  
Today is hate the world day, hate the world day

And now and then I get a-near to you  
Something that I might adhere to  
Even though I don't appear to  
I still want you just the same  
But the mood is all I blame  
And tomorrow will I fall in love again?

Yeah...

When I wake up bad in a worn out style  
There's time when I don't wanna open my... eyes  
Oh, but if I cannot do-a-nothing but-a sit-a and cry  
I'll find something better to do  
Give me just one day and I'll make it by  
If you lean on me then I'll lean on you  
Well can I lean on you for pain?

Hey, hey, hey, hey, hey, I've got another day  
Hey, hey, hey, hey, hey, to find another way

Today is hate the world day  
Hey, hey, hey, hey, hey, I can't get positive  
Hey, hey, hey, hey, hey, just get it over with  
Today is hate the world, today is hate the world  
Today is hate the world day...

Hate the world day  
Hate the world day  
Hate the world day  
Hate the world day

Today, hate the world day  
Today, hate the world day  
Today, hate the world day  
Today, hate the world day  
Today, hate the world day  
Today
