

# Shandy Bang

The Wildhearts

Suffer, wither, shouting, shaking  
Solid, below, fever, suicide, suicide  
Terror, beating, power, dead-end  
Candid, layout, ducking, advertise

Listen to me (I'll sing along)  
Listen to me (I'll sing along)  
Listen to me or I'll sing along to myself  
I can't make it alone  
I've got to sing to myself  
I should have made you be a-making sounds, well...

Access me  
(down to Seattle)  
Well it's a culture thing  
(down to Seattle)  
And it's a good sounding name  
(down to Seattle)  
Zombie!

Gather, lazy, something, sealing  
Shallow, relay, howling, misery  
Come in, get a, peachy, feeling  
Don't get, hero, fuck it, loyalty

Listen to me (I'll sing along)  
Listen to me (I'll sing along)  
Listen to me or I'll sing along to myself  
I can't make it alone  
I've got to sing to myself  
I shouldn't really be a-working here at all

Access me  
(down to Seattle)  
Well it's a culture thing  
(down to Seattle)  
And it's a good sounding name  
(down to Seattle)  
Zombie!

Access me  
(down to Seattle)  
Well it's a culture thing  
(down to Seattle)  
And it's a good sound, our name  
(down to Seattle)  
Zombie!
