

Vanilla Radio

The Wildhearts

Turn the radio down
Turn the radio down, down
Vanilla radio (whoa)

Down with the music-go-round
Down with the music-go-round, round
Vanilla radio (whoa)

Vanilla radio (whoa)
Vanilla radio (whoa)
Remember radio
Being lost in the audio (I want my radio)

[illegible]

All that the kids will allow
All that the kids will allow now
Vanilla radio (whoa)

So turn the radio down
Turn the radio down, down
Vanilla radio (whoa)

Vanilla radio (whoa)
Vanilla radio (whoa)
Remember radio
Being lost in the audio (I want my radio)

[illegible]

Vanilla radio (whoa)
Vanilla radio (whoa)
Remember radio
Being lost in the audio (I want my radio)

[illegible]

Where's my Elvis? (where, yeah yeah)
Where's my Elvis? (where, yeah yeah)
Where's my Elvis? (where, yeah yeah)
Where's my Elvis? (where, yeah yeah)
Where's my Elvis? (where, yeah yeah)
Where's my Elvis? (where, yeah yeah)
Where's my Elvis? (where, yeah yeah)
