

A Little More Love

The Wilkinsons

They were just
Two lonely people
On this big blue ball
Somehow fate
Brought them together
In the middle of it all
And tonight
They're out there dancing
Spinning 'round
And 'round

And there's a
Little more love
In the world tonight
A little more light
In the stars
A little more grace
In this vast universe
Starting with this
Boy and girl
There's a little more love
In the world tonight (tonight)

The sun will still
come up tomorrow
Nothing much will change
But for these two
Lonely people
Life will never
Be the same
It may not make
A lot of difference
In the grand design

But there's a
Little more love
In the world tonight
A little more light
In the stars
A little more grace
In this vast universe
Starting with this
Boy and girl
There's a little more love
In the world tonight (tonight)
