

# It Was Only A Kiss

The Wilkinsons

Stumbled out of bed, half in a haze  
It's feeling like a three cup of coffee day  
Things I need to do, can't concentrate  
But something's in my way

Well I've tried and I've tried  
To get (it/him) off my mind  
But I can't think of anything else  
I feel dazed and confused  
I don't know what to do  
I've got to keep telling myself

(It was only a kiss)  
Just a kiss  
(So) Get over it  
What's the matter with you girl  
You're acting like a fool  
I can't believe  
You're carrying on like this  
Yeah it was only a kiss (oh yeah)

Walking out the door, ten minutes late  
Where in the world did I put my keys  
Getting in the car, left my briefcase  
What's gotten into me

It didn't mean a thing  
So what if it made my heart pound  
My head spin  
It feels like a dream coming true  
Wonder if he feels it too  
Oh no, here I go again  
It was only a

Just a kiss  
Only a kiss  
Just a kiss  
It was only a kiss  
Just a kiss  
Oh only a kiss  
Only a kiss

Well I've tried and I've tried  
To get it off my mind  
It was only a kiss  
What's the matter with you  
I feel dazed and confused  
I don't know what to do  
Yeah I can't believe  
It was only a kiss  
Only a kiss
