

One Faithful Heart

The Wilkinsons

Time, it goes so fast
Like a river running past
And you're lucky if you find at last
Just one faithful heart

So I watch her as she sleeps
All curled up in her dreams
Somewhere beneath the quilt and sheets
Gently beats one faithful heart

As constant as the northern star
And as sure as gravity
Her love makes me complete
Makes my life so sweet

This night will slip on by
Soon she'll open up her eyes
And I will see the light that shines
From just one faithful heart

I live to see the light that shines
From just one faithful heart
