

# Cooling Water

The Williams Brothers

My soul was sinking, in a world of sin  
but grace and mercy, it took me in  
took my feet out, of the miry clay  
and placed them on, a rock to stay  
Oh what a relief it was  
When God rescued me, He lose the chains  
that had me bound, then he set me free  
And it felt like, cooling water  
cooling water, cooling water  
it felt like, cooling water  
cooling water, Cooling water  
cooling water from grandma's well

Sleepless nights, in so much pain  
Couldn't see no sunshine, nothing but rain  
But God said  
weeping may, endure for a night  
But in the morning, it would be all right  
Oh what a relief it was  
When God rescued me, He lose my chains  
that had me bound, and then he set me free  
it felt like, cooling water  
felt like, cooling water  
just like, cooling water  
just like, cooling water  
Cooling water from grandma's well

it felt like, cooling water  
cooling water, cooling water  
felt like, cooling water  
cooling water, cooling water  
when he saved my soul, cooling water  
it felt like, cooling water  
when he made me whole, cooling water  
it felt just like, cooling water  
it felt good ya'll, cooling water  
that cooling water, cooling water  
just like I knew, cooling water  
that it would, cooling water  
just like I knew, cooling water  
that it would, cooling water  
when he raised me, cooling water  
it felt just like, cooling water

and I'm reminded  
of another water  
and I'm reminded  
of another water  
When they took me  
down in the water  
When they took me down  
to a muddy pond  
To be baptized  
took me down  
to be baptized  
Let me tell you  
what happened to me

They baptized me  
in the name of the father,  
baptized me  
in the name of the son  
baptized me  
in the name of the holy ghost  
and they all  
they all made one.  
And that aint all ya'll  
When I came up  
out that water,  
I had a new walk,  
I just didn't walk,  
quite the same  
When I came up  
from that water  
I had love  
in my heart,  
when I came up  
out that water,  
I had joy  
all in my heart,  
another thing ya'll  
Changed my mind,  
I couldn't think  
that same way

Changed my heart,  
I had a different  
word to say  
Changed me,  
I didn't want  
didn't want just to live  
I wanted something  
that I could give,  
How about you today,

praise God  
Praise God  
For the water  
For the water  
praise God  
Praise God  
For the water  
For the water  
Anybody here  
Praise God  
Gonna praise him  
For the water  
praise God  
Praise God  
For the water  
For the water

Anybody been dipped?  
Anybody been dipped?  
Anybody been dipped?  
Anybody been dipped?  
Anybody been dipped?  
Anybody been dipped?  
I wanna know have you been  
dipped down in the water.  
In the water

The Holy Ghost was in that water  
In the water  
Deliverance was in that water  
In the water  
Forgiveness was in that water
