

# How I Depend On You

The Williams Brothers

What I know (You taught me)  
What I have (You gave me)  
And what I am (You made me)  
Oh (Oh Lord How I depend on You)

Lord I know that I'd be lost  
If you weren't there to guide me  
There would be no joy in my soul today  
Without your holy spirit deep down inside  
I wouldn't be here  
I wouldn't be alive today  
Without Your grace and mercy  
Lord You keep on making a way  
Oh (Oh Lord How I depend on You)

Where I am (You brought me)  
What I know (You taught me)  
All these things I have (You gave me)  
And what I am (You made me)  
Oh (Oh Lord How I depend on You)

Oh when I wake up in the morning (I)  
And start on my way (Depend on You)  
When I lie down at night (I)  
I've always prayed (Depend on You)  
That You never, never leave me (I)  
No, never alone (Depend on You)  
I couldn't make it by myself Lord (I)  
I'm just not that strong (Depend on You)  
Oh (Oh How I) (3x)  
Depend on You
