If The Lord Say Yes  
by Williams Brothers

If the Lord say Yes, it's done  
If the Lord say Yes, it's done  
If He say Move, Mountain move  
Stand back and watch your miracle come through  
If the Lord say Yes, it's done

If the Lord say Yes, it's done  
If the Lord say Yes, it is done  
Back in the bible  
When the sea was in a rage  
He spoke Peace and the waters behaved  
If the Lord say Yes, it's done

Don't ?  
?  
Your every need  
He promised He will supply  
Just trust in the Lord  
He said He'll give you  
The desires of your heart  
If the Lord say Yes, it's done

Saints if the Lord say Yes, it's done  
If the good Master say Yes, it's done  
Just like David brought down Goliath  
God gave him strength and proved  
The devil is a liar  
If the Lord say yes, it's done

It will (it will be done)  
If the Lord say yes (it will be done)  
Sick will be healed (it will be done)  
If my God say yes (it will be done)  
The blind can be made to see (it will be done)  
It will (it will)  
Oh yes (it will be done)  
If God stamped his approval on it (it will)  
You can go to sleep at night (it will be done)  
Knowing that everything (it will)  
Is gonna be alright (it will be done)  
If God say Yes (it will)  
You don't have to doubt Him, it's gonna be done  
(it will be done)
