

# Goodness Mercy And Grace

The Winans

Another day, I could not face  
Without Your goodness, Your mercy, Your grace  
I could not live in this terrible place  
Without Your goodness, Your mercy, Your grace x2

Verse 1:

I couldn't even go (couldn't even go)  
To the corner store  
If I didn't know your arms of protection were around

I couldn't even ride (couldn't even ride)  
In a city street car  
Or even take a trip out of town

This is what I'd do, I'd stay at home (stay at home)  
Locked up in my room  
With all the windows and doors shut tight

But now I'm free (now I'm free)  
I can go where I want to be  
And know that everything's alright

Chorus

Verse 2:

Your mercy (your mercy), covers sinners too  
As they go on their daily tasks

The don't know (they don't know), that it's really you  
And they don't even bother to ask

But your grace (but your grace), keeps right on covering them  
Til' you bring them into the knowledge of the truth

By your son (by your son), you can open their eyes  
So that they'll realize that it's really you

Chorus

Bridge

It's no goodness of my own, but it's by the grace of God  
That I've been kept all this time, and I still have a mind to go on

It's really no goodness of my own, no, but it's by the grace of God

That I've been kept all this time, and I still have a mind (3x)  
To go on
