

If I Labor

The Winans

If I labor, God is gonna give me a crown, a crown

I believe I'll work in the vineyard
Sun is going down

(chorus)

Did the Lord not say, whatever's right I'll pay
Did the Lord not say, work while it is day
Did the Lord not say, He would take us away

If I labor, God is gonna give me a crown, crown

I believe I'll work in the vineyard (repeat)

Sun is goin' down (3x)

(Pop & Marvin Winans ad lib out)
