

# It's Time

The Winans

Well it's time to make that change,  
people of the world today are fading;  
all of us have our ups and downs,  
you better think about it or you won't be around.

What we need is a little bit of love,  
sent by One from heaven up above,  
take it from "T.", it's simple and plain,  
this ain't no game, you know what I'm saying?

Chorus:

It's time, time to make a change,  
we are the people who can do it.

It's time, time to make a change,  
we are His people, we can do it.

Verse 1:

What is the world coming to,  
seems like everyone is running from the truth;  
we must stand up and fight,  
walk into the light,  
we're the people, we can do it, if we try.

Bridge:

I know we can do it,  
somebody asked me why  
do we have to go through it?

It's just a test of our faith,  
what we're living day to day,  
we don't know where, we don't know when,  
but He's coming back again.

Chorus

Verse 2:

Jesus is spreading mighty fast,  
earthquakes are moving through the land;  
it ain't nothing but a sign,  
gotta make up my mind,  
we're the people, we can do it, if we try.
