

# Lord I Believe

The Winans

A man came to Jesus  
Saying "Sir will you help my child,  
Evil spirits come over him  
And make him act so wild

They cast him into fire  
And his life he tries to take  
And I am rendered helpless  
While my son just pines away

I took him to your disciples  
But they didn't have the cure  
They said if you just touch him  
Then he'd be made whole"

Jesus said "Sir do you have faith in me  
All things are possible  
If you can just believe"

Chorus:

(He cried)  
Lord I believe  
With your help I'll see  
Lord I believe  
Help my unbelief  
x2

Verse 2:

We're buffed about with trials  
When heartaches are felt  
When tried in the fire  
Our courage begins to melt

Just like that man did back then  
So do we today  
When faced with the mountain  
We let doubt get in the way

Jesus said if we have faith  
The size of a mustard seed  
He would make it possible  
Our impossibilities

Chorus

Bridge

It's always hard to see your way with the natural eye  
So we cry  
Help me, help me to see

Can't do it on our own no matter how we try  
So we cry  
Help me, help me to see  
Help me, help me believe

Chorus x5

I believe  
Lord remove all doubt  
I believe

I believe  
Lord increase my faith  
I believe

I believe  
Lord I believe  
I believe...
