

I'm No Angel

The Winery Dogs

Can you get me back on my feet?
Can you make me think that my mojo is rising?
Oh, I only follow the beat of survival
Do you want to go to the dirt for me?

I'm no angel can't you see
I've got nothing that you need
My misfortune dance with me
I'm no angel

Why you wanna be on your knees?
Yeah, it's wearing thin but you keep on trying
But I'm just becoming disease on your fire
Yes, just the fact that I know, I know, I know

I'm no angel can't you see
I've got nothing that you need
My misfortune dance with me
I'm no angel

Don't you think you have of learned by now
You can't put your faith in the devil when you wanna see god

I'm no angel can't you see
I've got nothing that you need
My misfortune dance with me
I'm no angel

I'm no angel can't you see (I'm no angel, It's so clear to me)
I've got nothing that you need (I've got nothing, I got nothing
I can offer you)
My misfortune dance with me (Dance with me)
I'm no angel
