

One More Time

The Winery Dogs

Tell me, what's your drama?
What do you want this time?
Can we finally make amends?
You know I don't like to fight.
Put away the past, cause I don't regret my past.
Give me a second chance, can we get it right, can we try?

One more time, gotta bring you back.
But it's up to you tonight.
Time forgives and so do I.
Give us one more time, give us one more time.

Lookin out for nothin, I'm tired of making moves.
The games that we play lead to misfortune.
Oh, open up your door and turn up your midnight life.
Do you want to be alone, or do you want what you came for?

One more time, gotta bring you back.
But it's up to you tonight.
Time forgives and so do I.
Give us one more time, give us one more time.

I can't help but feel like you're closer to me, shrouded in your mystery.
Here we are, we're back in love, and that's the payoff. Come on baby, give it..

One more time, gotta bring you back.
But it's up to you tonight.
Time forgives and so do I.
Give us one more time, give us one more time.

Come on back. Oh, baby come on back home.
Come on back, give us one more time
