

Heavens Gate

The Wolfgang Press

allen / cox / gray
One is for the decent times
And two is for the same
Well number three is for the big fat sinners
And four is heaven's gate

There's a soul invasion here
The soul invasion is mine
Love is in a vacant tree
I'm going to pick and choose what's mine

There's a show inside of heaven's gate
And the sinners are taking a bath
Heaven is a season and the season is time
I'm going to sit right back

Ha ha ha
Ha ha ha

With you by my side
I hardly know I speak the truth
I'm an easy equation
As I step inside of heaven's gate

Here beside heaven's fountains
I'm washing my hands with time
I'm washing my legs with truth
I step inside of heaven's gate
I walk inside of heaven's gate
I run inside of heaven's gate

Ha ha ha
