

30 Years In The Bathroom

The Wonder Stuff

My lavatory has been my sanctuary
And it's easy for you to laugh at me
'Cause I been 30 good years in the bathroom, baby
Rub-a-dub-dub one man in a tub and it's me
Always me

And now the time has come to share the joke
That the latch on the bathroom door is broke
And now it's time to let you know
That it's only the beat of my heart that is slow
Who's fault is this? I deny that it's mine
I been stuck in here since 1959
That's 30 good years in the bathroom baby

But it's okay, yeah it's okay
'Cause when they come to take me away
I will be clean, I will be clean

Well I been 30 years in a bad mood, baby
But it's okay, yeah it's okay 'cause that's better
Than 30 years on the back seat of a car

Oh beat me with the pumice stone
Eight to the bar
