

Through Two Hearts

The Wonder Years

I woke this morning, and drew up a list
Of all my sad moments, and people I miss.
As dawn turns the sky blue,
Sadly without you.

And I'll make my own earth
At night while I rest.
To go to Australia
And avenge your death

I'll find that stingray
and make sure it's last breath's today

I read the news today,
It seems Australians have been mangling stingrays
I guess they feel like me,
'Cause man we really miss you, Steve.

You've got a barb through the heart,
And I felt it too.
I can't believe that this world would take you
And when I miss you and I'm lonely, Steve
I don't know what to do.

You've got a barb through the heart,
And slowly went under.
What an awful way to finish the summer
When I miss you or I'm lonely, Steve
I just watch Crocodile Hunter.

And I saw the news today
They had you and your son on instant replay
Just cause you let him play with crocodiles
Doesn't make you a bad role model.

I woke this morning, and drew up a list
Of all my sad moments, and people I miss.
As dawn turns the sky blue,
It's damn eyes are at you.

You've got a barb through the heart,
And I felt it too.
I can't believe that this world would take you
And when I miss you and I'm lonely, Steve
I don't know what to do.

You've got a barb through the heart,
And slowly went under.
What an awful way to finish the summer
When I miss you or I'm lonely, Steve
I just watch Crocodile Hunter.
