

Shoofly Pie

The Wood Brothers

I'm gonna give you the wheel; I'm gonna let you drive
But you gotta make me; shoofly pie
You gotta make me shoofly pie

Don't forget the sweet molasses; I won't leave a crumb
Don't you just sit there laughing; When you know how bad I need
some
You know how bad; I need some of that
Shoofly pie - shoofly pie - shoofly pie

You can make it for me in the mornin'
I like it if it's hot or cold
Make it for me in the evenin'
Baby when the sun is gone
Make it in the evenin' when the sun is gone

You can make it if the house most late?
You can give it to me right on time
Well I like it in the kitchen, in the living room, driveway
I don't mind if the house on fire, I don't care if the house on
fire

Gimme that Shoofly pie - shoofly pie - shoofly pie

Well I may be full of biscuits and wine
But I always have room for that shoofly

Well I like it in the middle of the night
Under the stars and moon
And I get so high on your ever-lovin' pie
I like it from June to June - yeah I like it from June to June

Well I must be blessed 'cuz I have the best
And I've seen the light comin' through your dress
And all my friends they understand why I would kick and cry
Wouldn't mind dyin' for just another piece of that heavenly beautiful

Shoofly pie
Just a little bit of shoofly pie
Shoofly pie
Want another piece of shoofly pie
Shoofly pie

Well I may be full of biscuits and wine
But I always have room for that shoofly pie
