

Battle Royale

The Word Alive

Breathe! They will turn their backs on me unless I decide to breathe.

You will forget me unless I breathe..

I've seen the worst in myself tonight. I almost lost the fight.

My mind is lost within my dreams.

Pinned down, wrapped up, in the arms of sleep.

I feel it slowing now. I can barely see my way out.

I won't forget.

And every single time I see your face it reminds me of why I walked away.

I won't forget.

And this is how you remind me that when I walked away,

I was right to save me from myself.

Goodbye, never say I am not enough.

I'm scared I've thrown it all away and I'll never be the same.

What have they done? What have I become...

This is the end of running from you.

I promise you that

I won't forget.

And every single time I see your face it reminds me of why I walked away.

I won't forget.

And this is how you remind me that when I walked away,

I was right to save me from myself.

Goodbye, never say I am not enough.

Never say never, never say I'm not enough.

Never say that I...

Never say never, never say I'm not enough.

Never say I'm not enough!
