

I'm Sorry

The Word Alive

O why don't you let me know if I could
Grow with you, I'm falling for you
I think it's time for me to say
I've kept this mouth shut far too long
I'm sorry, I'm sorry

Pull it outta me, just pull it outta me
Pull it outta me, just pull it out...
Pull it outta me, just pull it outta me
Just pull it out
Pull it outta me, just pull it outta me
Pull it outta me, just take it out
Pull it outta me, just take it outta me
Just pull it out

Take my hand
Show me how

So why don't you let me know if I could
Grow with you, I'm falling for you
I think it's time for me to say
I've kept this mouth shut far too long
I'm sorry, I'm sorry

You're breaking up, breaking up
You're too soon to break, soon to break you
You take me out, take me out

Take my hand
Show me how

So why don't you let me know if I could
Grow with you, I'm falling for you
I think it's time for me to say
I've kept this mouth shut far too long
I'm sorry, I'm sorry

I think it's time for me to say
I've kept this mouth shut far too long
I'm sorry, I'm sorry
I think it's time for me to say
I've kept this mouth shut far too long
I'm sorry, I'm so sorry

So why don't you let me know if could
Grow with you, I'm falling for you
I think it's time for me to say
I'm sorry, I'm sorry

Grow with me, grow with me
Grow with me, grow with me
Grow with me, grow with me
Grow with me
