

Inviting Eyes

The Word Alive

You look in the mirror and for the first time you open your eyes.

Can't help but say oh. Now go! Oh!

Can't you see it? Can't you feel it?

Your weakness lasts forever.

Can't you hear it? You won't believe it.

Listen up before it's too late.

Too brash, too fast. Walk away from me.

Look back, forget. Throw it all away.

Can't you see it? Can't you feel it?

You are a coward without reason, a thief without a face.

You give me what I need but my mind is deafening.

My heart screams I was right. I was right.

Oh the pity, oh the suffering. Sad to say you'll regret your ways.

Can't you see it? Can't you feel it?

Your weakness lasts forever.

Can't you hear it? You won't believe it.

Listen up before it's too late.

Can't you see it? Can't you feel it?

Your weakness lasts forever.

Your boundaries will fall just like I said. Was it worth it all?
?
