

Play The Victim

The Word Alive

You're the one who always falls apart
The one who plays the victim
Working on your latest tragedy
When you should want to fix it

You don't understand and you won't listen

Why
do we do what we do
We do it to ourselves

We hurt the ones we love
The ones we love!

When
when will it end
We do it to ourselves

We hurt the ones we love
The ones we love!

I'm not the one you should be worried about
You're so lost, you're so lost
Why does nothing seem to get through to you?
These are your problems
There's nothing I can do
There's nothing I can do!

You don't understand it
You won't listen!

Why
do we do what we do
We do it to ourselves

We hurt the ones we love
The ones we love!

When
when will it end
We do it to ourselves

Knowing your tears are made believe
Snowflakes in the summer
It just doesn't add up
It just doesn't add up
Like icicles in spring

Wake up!
And see the truth!
I'm not like you!

Why
do we do what we do
We do it to ourselves

We hurt the ones we love

The ones we love!

When
when will it end
We do it to ourselves

We hurt the ones we love
The ones we love!

Why
do we do what we do
We do it to our

Why
do we do what we do
We do it to ourselves!
We do it to our!
