

Smoke Monster

The Word Alive

The storm is coming, run!
It will swallow you whole
And crush your soul.

Tell me what you feel right now.
You can't escape,
It's the end of this town.
Tell me what you feel right now.
You can't escape,
It's the end of this town.

It will swallow you whole,
Run for your life.
It will swallow you whole.

You could never be replaced!

It was hard to see you go away.
(I can't save you, I couldn't save you.)
I couldn't save,
I couldn't save anyone.
Fear for your life, fear for the ending.

It was hard to see you go away.
(I can't save you, I couldn't save you.)
I couldn't save,
I couldn't save anyone.
Fear for your life, fear for the ending.

I'm ready to die.
The wave is crashing around me.
Your soul leaves your body.

I know you couldn't make it home tonight,
For fear we come spilling this. [?]
All there is will never be again.

You could never be replaced!

It was hard to see you go away.
(I can't save you, I couldn't save you.)
I couldn't save,
I couldn't save anyone.
Fear for your life, fear for the ending.

It was hard to see you go away.
(I can't save you, I couldn't save you.)
I couldn't save,
I couldn't save anyone.
Fear for your life, fear for the ending.

I'm not the one
Who will lie in this casket.
This prison was built for you.
This prison was built for you.
You'll be consumed when they crush you.

You could never be replaced!

It was hard to see you go away.
(I can't save you, I couldn't save you.)
I couldn't save,
I couldn't save anyone.
Fear for your life, fear for the ending.

It was hard to see you go away.
(I can't save you, I couldn't save you.)
I couldn't save,
I couldn't save anyone.
Fear for your life, fear for the ending.
You'll be washed away. Away.
