

The Conscience

The Word Alive

I'm not the man I used to be,
But you won't stop - you won't stop,
Until you bury me.

I'm done,
I couldn't take very much.
You changed your mind
Through every pass.

It's my time to go,
I want to get out of here.
I want to take you with me.
When we're done, don't forget me.
Let me think light of the world,
But not your throne.

I can see you're thinking of me.
The life that I've lived, but it's not me.
I've made mistakes, I've paid the price.
Forget my past,
Before I change my mind.

I can't say what motivates me,
But I know I'll find a way.

It's time you learned,
What I deserve.
It's time you learned,
To look down the barrel.

When did you decide
To take and to take, but never provide?
What have you done with your life,
But judge and pretend
You're better than me?

I can see you're thinking of me.
The life that I've lived, but it's not me.
I've made mistakes, I've paid the price.
Forget my past,
Before I change my mind.

I've made mistakes, I've paid the price.
Forget my past,
Before I change my mind.

Suffocating by the problems in your life.
Let me take off the noose
You've wrapped around your throat.
Let me open your mind.
I'm here to end your life.
Open your mind.

I can see what you're thinking of me.
The life that I've lived, but it's not me.

I can see you're thinking of me.

The life that I've lived, but it's not me.
I've made mistakes, I've paid the price.
Forget my past,
Before I change my mind.

I've made mistakes, I've paid the price.
Forget my past, before I-
Before I change my mind.
Change my mind
