

Dead Inside

The Working Title

Well you told me i was perfect for you and made me think i was
and hid from me your boyfriend who soon showed up
and rightfully stole the one thing i ever loved
then you told me i could never see you and made me what i am to
day

I was alive, now im dead inside
i'll watch my insides coming out tonight with this knife

So i sent my biggest friends to his place to let him know how f
ar
this threatening my life would get him here
and made the big mistake of my whole life
dont you see what happens when you tell a lie? now people lose
their lives
