

## Dead Inside

### The Working Title

Well you told me i was perfect for you and made me think i was  
and hid from me your boyfriend who soon showed up  
and rightfully stole the one thing i ever loved  
then you told me i could never see you and made me what i am to  
day

I was alive, now im dead inside  
i'll watch my insides coming out tonight with this knife

So i sent my biggest friends to his place to let him know how f  
ar  
this threatening my life would get him here  
and made the big mistake of my whole life  
dont you see what happens when you tell a lie? now people lose  
their lives
