The Wreckers

Cigarettes

Got my headlights shining Down an old dirt road Smoke my cigarettes I should quit I know

The radio's playing Old country songs Someone's leaving, someone's cheating On and on

I think I might like The quiet nights Of this empty life

'Cause someday maybe Somebody will love me like I need And someday I won't have to prove 'Cause somebody will see all my worth but until then I'll do just fine on my own With my cigarettes And this old dirt road

See I left another Good man tonight I wonder if he'll miss me Lord knows I tried

But I think that maybe The thing that I did wrong Was put up with his bullshit For far too long

I think I might like The quiet nights Of this empty life

I ain't gonna sleep I don't wanna dream About the things that I used to need I ain't gonna cry Or go on living lies I'm just gonna drive
