

# Way Back Home

The Wreckers

Somewhere in the country  
There's a place  
Where nobody knows your name

When I'm feeling lonely there's a train  
That helps me run away

I know my mother She always told me  
The road would get cold  
I never listened  
Always forgettin'  
The way back home

Somewhere in the city  
There's a face  
That makes it hard to stay

He never listened to me  
When I'd say  
That things would never change

The way back home  
The way back home

I never listened  
Always forgettin'  
The way back home  
The way back home
