

# Happy

The Wrens

You're the one I want  
You're a chance to take  
You're a heartbreak  
And swore you'd never leave again

You're the only one  
That i ever trusted  
Or who ever cared at all

Is this how it's going to be?  
Is this how you wanted me  
Broken down again  
It's almost over now

Is this why you wanted me  
To watch as you walk away  
You kept on killing me  
And you don't even want to touch me  
You don't even want to touch me

I was wrong  
I've wasted on  
Can't figure out  
What happened to us  
I won't count  
On you anymore  
I'll be alright  
Don't worry about me  
Aren't you happy now  
Got what you want  
I wanted you  
But i'm over that now  
I'm over it

I'm so sick of you  
What we went through  
Your lies to me  
Won't win again  
So don't kid yourself  
It's better this way  
It's all back to me
