

# I Dare You

The xx

I'm in love with it  
Intoxicated  
I'm enraptured  
From the inside I can feel that you want to  
Way up high on it  
Feel it suspending  
I'm enamored  
Way up in the sky I could see that you want to

I've been a romantic for so long  
All I've ever had are love songs

Singing oh-oh-oh  
Go on, I dare you  
Oh-oh-oh I dare you

I got chills  
Heartbreak multiplies  
I'm on a different kind of high  
A rush of blood is not enough  
I need my feelings set on fire  
Now I'm deep in it, infatuated  
Strong attraction  
Side by side, and I know that you want to

I've been a romantic for so long  
All I've ever had are love songs

Singing oh-oh-oh  
Go on, I dare you  
Oh-oh-oh I dare you

I can hear it now like I heard it then  
I can hear it now like I heard it then  
I can hear it now like I heard it then  
I can hear it now like I heard it then

Singing oh-oh-oh  
Go on, I dare you  
Oh-oh-oh I dare you  
Oh-oh-oh  
Go on, I dare you  
Oh-oh-oh I dare you
