

You leave with the tide  
And I can't stop you leaving  
I can see it in your eyes  
Some things that lost their meaning

Devote to me  
Alone with me  
Say with me  
"Why would you ever want to leave?"

You leave with the tide  
And I can't stop you leaving  
I can see it in your eyes  
Some things that lost their meaning

Fade out of view  
I wouldn't do that to you  
I wouldn't just leave us alone  
When we could be close, close, close

Hold me close when you could leave us alone  
Why would you just leave us alone  
When we have been close, close

You leave with the tide  
And I can't stop you leaving  
I can see it in your eyes  
Some things that lost their meaning

You leave with the tide  
And I can't stop you leaving  
I can see it in your eyes  
Some things that lost their meaning
