

Dazed and Confused

The Yardbirds

I'm dazed and confused,
Is it stay, is it go?
I'm being abused,
And I think I should know,
Come on baby,
I'm starting to crack,
If you're out to get me,
You're on the right track.
Hey!
Hey, hey!

I'm dazed and confused,
Hanging on by a thread,
Come on baby,
Do you want me dead?
I can arrange that for a dollar or two.
I can't remember,
Anything about you.
Hey, hey!
Hey, hey!

Hey!

I'm dazed and confused,
Hanging on by a thread,
I'm being abused,
I'd be better off dead,
If you're out to get me,
You're on the right track,
Quittin' teasin',
I'm starting to crack.
Yeah!
Yeah!
Yeah!
Hey, hey, hey!
