

Evil Hearted You

The Yardbirds

Evil hearted you
You always try to put me down
With the things you do and words
You spread around against me

Evil hearted you
You kept kidding me along
With your phony smile
And with your siren song smiling, beguiling

You lead me on till all hope's gone
Persuading, degrading
On my knees I try to please
But I love you just the same

And I want you to remain by my side
And you'll see just how much you mean to me

Evil hearted you
You always try to put me down
With the things you do and words
You spread around against me

About me
What would you do without me?
Smiling, beguiling
You lead me on till all hope has gone
