And my baby caught that train and gone.  
Oh the bells have tolled,  
And my baby caught that train and gone.  
Well it's all my fault,

My baby's [treating me that my luck would change?]  
I've been goin' around,  
And now look at me,

Well it's all my fault,  
I must have done somebody wrong.
